

This week, **Repêchage** made an appearance at the debut **Maisonette 1977 New York Fashion Week** show. Three hundred guests left the show with Fashion Week Survival Kits in tow, including a gift of Repêchage's Algo Mist Hydrating Seaweed Facial Spray.

Christina, the Israeli-based professional cosmeceutical in-cabine treatment and home care collection that combines a classic European approach with clinically proven scientific ingredients, is now available to the U.S. professional aesthetician. Introducing seven multi-stage treatments, creator **Christina Zehavi** and her team of world class scientists have worked together to offer synergy between in-cabine treatments and at-home treatment products.

Kevin Sorbo

Kevin Sorbo was just one of the many celebs making **Matis Paris** their choice for skin care at the **2011 Sundance Film Festival**. The savvy skin care celebs, flocked to the **TMG/IT Brands Luxury Lounge and Spa**, where Matis Paris treatments and products were the skin care swag of choice.

Renee Rouleau and Sofia Vergara

Renée Rouleau performed her newest facial treatment on **Brie Larson** and **Sarah Ramos** in preparation for the big game, **Super Bowl XLV**. Rouleau was also involved in the ultra-chic **Style Icon Super Bowl Gifting Lounge** hosted by *Modern Family*, star **Sofia Vergara** at the Rosewood Crescent Hotel. The exclusive event attracted the best celebrities, sports legends, and the world's most influential guests that were in Dallas for the big game.

Obagi Medical Products, Inc. made a donation to the **New Orleans City Park** in conjunction with the **American Academy of Dermatology** meeting held in New Orleans. A popular place to picnic, partake in a wide variety of sports, wander through gardens, or take a boat ride, City Park hosts 11 million visitors each year. Centrally located in the city, it has a special place in the hearts of generations of New Orleanians and is a must see for visitors to the city. The park's 1,300 acres of parkland provide enjoyment for everyone from young children playing on its playgrounds to walkers, joggers, and bicyclists winding through the park's streets and trails. Despite occupying land owned by the City of New Orleans, City Park only receives public monetary support equivalent to about 19 percent of their total costs of operation. Obagi Medical Products is proud to donate to sustaining such a substantial part of life in New Orleans, which greatly enriches the lives of all of its residents.
