WHILE THE IRON'S HOT

Tools to create smooth or wavy manes

Squash spider veins with **Dermelect Cosmeceuticals Facial Spider Vein Treatment**, which is strong enough to use on legs but also treats broken capillaries around the cheeks and nose thanks to phytotone, vitamin K and hyaluronic acid. (www.dermelect.com)

Miracle worker: Derived from silicone, **Miracle Skin Transformer Treat & Conceal** conceals as it corrects via plumping collagen and calms through chamomile. (www.miracleskintransformer.com)

Le Mieux Bio Cell + Mask tackles inflammation with calming white tea extract as freeze-dried marine collagen works to repair damaged cells and grant moisture. (www.lemieuxcosmetics.com)

Natural wonder: **Natural Collagen Inventia Collagen Day Cream** contains collagen and elastic to ward off wrinkles and stimulate cell renewal along with antioxidant-rich vitamin E and conditioning aloe extract and borage oil. (www.naturalcollageninventia.com)

Enjoy a tryst with **Sanitas Moisture Mist**, which hydrates and heals via honeysuckle extract and hyaluronic acid. (www.sanitas-skincare.com)

Hey batter, batter! **Christina Forever Young Eye Rescue** de-puffs weary winkers and firms with hydrolyzed wheat protein. (www.christina-cosmeceuticals.com)

Everything's coming up roses! **Lierac Paris Diopti Démaq Gentle Eye Makeup Remover** includes rose water, cornflower and mallow extract to gently remove makeup while vitamin B5 and keratin prevent lash loss. (www.lierac.com)

Who's the Boss?

Loaded with nutrient-rich ingredients, **Orbe Foundation Mist** is perfect for prepping men's mops for classic or modern styles. In fact, Orbe himself used the primer on Orlando Bloom when styling him for the latest Hugo Boss Orange ad campaign. (www.oribe.com)

Let's Clay

In a destructive mood? **Matrix Design Pulse Beach Clay** creates piece-y definition and beach-y texture via beeswax and copolymer. (www.matrix.com)

Bye, Bye Burn

Keep your man from seeing red with **Christina Forever Young Men Fortifying After Shave Gel**. Extracts of aloe vera, chamomile and witch hazel work to purify, cool and help heal razor burn, while hyaluronic acid moisturizes. (www.christina-cosmeceuticals.com)

Yo-Yo Diet

Put an end to the ups and downs of out-of-control hair with **Screen Yo-Yo Gum**, which defines, sculpts and chunks thanks to VP/VA copolymer. (www.screenhaircare.com)

Can You Camu-Camu?

Define texture or enhance natural waves with **Bioken Enfantsi Camu-Camu Styling Wax**, which is enriched with extract of antioxidant-abundant camu-camu—an Amazonian fruit that has the highest botanical source of vitamin C on the planet. (www.thebioken.com)

Setting the Toner

Glow on: **glōtherapeutics glōPurifying Tonic** utilizes conditioning blue agave extract and anti-inflammatory totarol. (www.gloskincare.com)

Spring forward: **Refineé Soothing Floral Toner** calms irritation via rose water and green tea as pomegranate rejuvenates and lactic acid gently exfoliates. (www.refineeskinare.com)

Buzz off, blemishes: **Epicuren Acne Conditioning Astringent Toner** works to zap zits with salicylic acid and soothe with camphor. (www.epicuren.com)

Balancing act: **Christina FluorOxygen+C Balancing Toner** gently exfoliates through glycolic and lactic acids while cucumber, yarrow and licorice extracts reduce inflammation and brighten. (www.christina-cosmeceuticals.com)

Spray away aging: **Murad Resurgence Hydrating Toner** boasts lecithin to restore moisture balance along with chamomile and cucumber to calm and soften. (www.murad.com)

Hydration activation: **Dermalogica Multi-Active Toner**'s ultralight formula hydrates via aloe leaf

juice as it calms with lavender and cucumber. (www.dermalogica.com)

The doctor is in: **DermaDoctor Litmus Test Replenishing Toner** refines with alpha hydroxy acid as white and green tea extracts reduce irritation and fight free-radical damage. (www.dermadoctor.com)

What lies beneath: **Kanshi Resurfacing Toner** is chock-full of antioxidant-rich African rooibos tea and exfoliating beta hydroxy acid. (www.kanshibeauty.com)
